Bath Fittings
An ISO 9001 : 2008 Certified Company

PRODUCT CATALOGUE 2023-24

REVOLUTIONIZING
FAUCETS

About us

Established in 2006, Wavon is a highly reputed name engaged in manufacturing and supplying a complete range of Bath Fittings. Backed by a team of qualified professionals, we have been able to bring forward the best quality products. We Have established a strong foothold in the national as well as international market by supplying the product to most demanding markets. Our products are processed using finest quality basic material, which ensures their high quality standards and efficiency. Our quality analysts test each lot of the finished product on well-defined parameter, thus ensuring compliance with international standards.

PRODUCTS

We serve as the manufacturer and supplier of Luxurious Bath Fittings. Our product are developed using accurate metal compositions and advanced manufacturing techniques, which ensure the quality, durability and credibility of our range. Further, we also offer our product in various customized speculation as per the requirement of our client and industrial application of the products.

QUALITY

Quality and perfection are the driving forces at our organization, that are actively taken care while manufacturing our offered products. For the production of these products, we have used best quality factor inputs that are obtained from reliable vendor base.

As an ISO 9001:2008 certified company, we always maintain quality in the following process like basic component procurement, processing, packaging and so on. In addition, our range also undergoes through a strict quality check procedure that ensure that its high quality standards. The quality procedure followed at our end also satisfies our international clients.

VISION

Our vision is to be a world-class manufacturing enterprise employing lean and agile methods that poise us for fast, sustainable growth. We want to be a leading provider of innovation kitchen and bathroom solution. With brand Wavon we have stayed true to our mission of constant improvement and innovation. It is also our vision to be a complete water solution provider.

INFRASTRUCTURE

We have established well developed infrastructure equipped with latest technology and advanced machinery, quality testing and warehousing facilities. Our infrastructure is divided into various sections to maintain the flow of work. Therefore, it helps in implementing proper coordination enabling efficient business activities.

RESEARCH & DEVELOPMENT

We possess a well equipped research and developed unit managed by experts by who conduct various experiments and researches on essential matters. Due to their untiring efforts, we are able to reach to the heart of our clients across the globe. Customer;s complaints, market survey and feedback from periodic market research, etc. provide inputs to our experts with they redesign and develop products according to latest trends and client's requirements.
